Hello! We are excited to present the Sumits Yoga Teacher Training in the Kansas City Area. Sumits Yoga Teacher Training has been offered in other parts of the country, and has helped yogis go deeper into their practice, as well as inspire others through sharing the gift of yoga in the classroom. The 200 hour Registered Yoga Teacher (RYT) Training is a significant milestone and requires some time. Participation in nearly every session is required. Teacher Training is a memorable experience because it is a time of growth, self-discovery and exploring new horizons. The time that you invest in this training is well spent. Not only will you receive your 200 RYT which can be applied to other studios, but you will also be trained in the Sumits Sequence. To enroll, submit an application and \$500 deposit. Deposits must be paid by check or money order and made out to Sumits Yoga KC.

Cost: \$2750 plus \$250 registration

If paid in full by 6/10-No registration fee. **\$2750 total**

The first six people to enroll will receive an extra \$175 off. **\$2575 total**
